# SHI HaoLing

Date of Birth: 3/4/2002   Domicile Address：Wuxi, Jiangsu

Phone：15261658845   mail：henryhlshi@gmail.com

EDUCATION

SWUFE, SWUFE-UD institute of Data Science,

Information Management and Information System (Information System and Data Management)

GPA: 4.0/5   **Ranking：3**/58 **CET4：** 586   **CET6：** 603   **IELTS：** 7

Main Courses：   Mathematical Analysis, Advanced Algebra, Probability Theory, Mathematical Statistics,

Optimization Theory and Applications, JAVA, Data Structures (python), Machine Learning, Database Design and

RESEARCH

2022.05 **National-level Innovation Training Project for University Students: "Research Mechanism of the Mirroring Role of Internet Public Welfare Crowdfunding: The Case of Tencent Public Welfare"**

Core team members

- Project description: The project analyzed the relationship between two variables, crowdfunding amount and crowdfunding percentage, and the variables of project introduction paragraph sentiment score and word count. Multiple regression, stepwise regression, and questionnaire measures were used to find and test the association between crowdfunding amount, crowdfunding percentage, and other variables.

- Individual assignment: responsible for data crawling, pre-processing, and analysis work, currently in the closing stage.

2023.01 **Essay   'Classifier consensus system approach for bank marketing campaign'**   Authors

- Paper Description: The paper assesses the credit risk rating of bank users based on real bank customer data, using data processing analysis and integrated classifier (RF) to rate the credit risk of bank user data, and explores the importance of each feature based on the average Gini-index.
